

Type	Activity	Description of Activity	Organising Teacher	Second Teacher	Venue	Cost
Academic	Theory of Knowledge	Theory of Knowledge is a compulsory element of the IB Diploma. Focussing on questions about how knowledge is created rather than on questions about individual knowledge domains, it is an area of study that transcends the borders that exist between individual academic subjects.	Peter Dam		H6 College Campus	As this activity is already being offered to our IB Diploma students, there is no cost involved, however, it requires intellectual maturity and an enquiring mind
Academic	Tournament of Minds	Do you have a flair for drama, and a hunger for success? Tournament of Minds is a problem solving competition for teams of students from years 7-10. These teams compete against other schools to solve open-ended challenges from one of the following categories: •Applied Technology •Language Literature •Maths Engineering •Social Sciences (SOSE focussed). MCSS has had great success in this competition, with the best result in 2011, where the team placed 2nd internationally in Language Literature! Do you want to crush the opposition at a state, national and international level? Represent MCSS and help take back our title!	Mr Horrell		MCSS	\$25 (again depending on subsidy from school funds)
Academic	Manga Drawing (anime style)	Student use their manga books and maybe internet ideas to create a portfolio of work.	KBrown		science lab, library space (aesthetics)	Nil
Activity	Futsal	To build upon the skills, strengths and understandings of the game for the girls school futsal team. Open to years 7-10 futsal girls.	David Dunn		gym, futsal court, fitness lab	Nil.
Activity	Chess	Students play chess in informal competitions, honing their skills and tactics.	John Wade		B4 or B7	Nil

Type	Activity	Description of Activity	Organising Teacher	Second Teacher	Venue	Cost
Activity	Geocaching by Bike	Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location. We will choose some 'caches' to find, and ride out to look for them! *Bikes are required for this activity	Michael Robertson		MCSS	Nil but all students must have a bike and helmet to use.
Activity	First Aid and Rescucitation	Students develop valuable skills in first aid. They can gain their Perform CPR certificate and cover lifesaving first aid training.	Alana McGee		College Campus	Free or \$15.00 if a certificate is wanted.
Activity	Yoga	Students will participate in a dru yoga class at beginner level with a qualified instructor. There will be meditation at the end each session.	Liz Sage		B3 at the high school	\$45.00 (5 sessions X \$9.00) plus a yoga mat or a blanket
Activity	Futsal	Years7/8 and 9/10 Boys Futsal teams. Training and preparation for competitions	Hunter Walters		HS Gym	Nil.
