Dear parents/carers,

We would like to announce that year 5/6 students will be hosting a Market Day this year! Market day is a day when all the students in 5/6 put together stalls selling activities and goods to the rest of the school. The school uses pre purchased tickets to buy on the day. The younger students get to spend their tickets on things such as food, drinks, and activities. It's a lot of fun! Prices for activities and food start at \$1 and go up to \$3.

WHEN: Friday 28 June 2019

Cost: 50c for 1 ticket - Sold in dollar blocks

Time: 11:30am - 1:00pm All are welcome!

Tickets go on sale next week at recess time, and will be handed out on the day to make sure they don't get lost.

Thanks for supporting us in our learning!
