

Year 1_2 Book Packs for 2021

Dear Families

The 2021 Latham Book Packs will have a different process than what has been done in previous years. This year the school will do a bulk order of stationery for each class and families will have the option to pay an allocated amount for their student.

Considerable time is spent reflecting on the use of the items each year and creating packs where the resources will be the most effective in the classroom.

All items listed are for student use and are used as part of the classroom program. For example, whiteboard markers are used on individual student whiteboards when practising or brainstorming, post it notes are used for interactive activities, zip up bags are used for home reading or writing kits.

Please fill out the order form attached and return the form and payment to the front office by Friday 11 December 2020.

We appreciate your support.

If you have any queries or questions, please contact the front office or the Executive for your child's class.

Regards
Sam Chapman
Business Manager
