*Term 2 Week 7
Thursday 13 June 2019*

Dear families,

What a wonderful athletics carnival yesterday! I was fortunate enough to spend time 'checking out' the junior rotations and be responsible for an event in the senior section. This gave me the opportunity to share the enthusiasm of everyone involved. It was great to see so many families at Charnwood-Dunlop oval to cheer on students and help as needed. We are extremely lucky at Latham to have such a supportive community. A big thank you to Syed (who has been at Latham for 7 weeks) and his team for organising the day. How lucky were we with the weather as well?

Throughout the term teachers have been collating and analysing student achievement to develop semester 1 reports. Latham are in the first phase of a Directorate initiative to use an electronic system to collate all of this information. As mentioned in a previous newsletter, reports will be emailed to parents on Friday, 28 June. We will need to run a test of the system in week 8. The first email contact we have for each student will receive a test email. You don't need do anything with this other than inform the school if you haven't received an email by **Friday, 21 June**. The constraints of the system at this time only allow for us to email to first contacts. We have a list of families who require second copies, and these will be sent from the school to these individuals. If you do not have an email, we will print a copy of the report and send it home.

We had student-led conferences in term 1 to allow students an opportunity to celebrate their learning and share their goals with their families. If you wish to speak to your child's class teacher for more information relating to the semester report, please make an appointment through the front office.

Have a wonderful fortnight.

Regards,
Karen

Just Like You at Latham Primary

Next week at Latham Primary the Variety Club will be holding workshops for our students on the importance on how to be inclusive of students with a disability. This is a fabulous program and was very successful last year.

JUST LIKE YOU™

ABOUT US

Variety's Just Like You program is a series of free and fun disability awareness workshops, which aim to build understanding, acceptance and inclusion of those living with a disability.

Our workshops are delivered by professional facilitators who have a disability. Meeting and spending time with a person who has a disability helps to build empathy in children.

Just Like you is delivered as two separate face-to-face workshops to three different school stages. Each workshop is tailored to its specific year group mapped to the curriculum.

With winter upon us, it's important to remember that Canberra has lots of health options that don't involve a trip to a hospital emergency department. Many of these are free and available after hours.

Walk-in Centres provide free, one-off treatment of minor injury and illness, including colds and flu. They're a great choice for children over 2 years of age – children under 2 should see their GP.

Walk-in Centres are open from 7.30am to 10pm, every day of the year. They are staffed by highly skilled nurses who can provide you with a sick certificate and in some cases, medication, saving you time and money.

The service is free and no appointments are necessary. Walk-in Centres are located in Tuggeranong, Belconnen and Gungahlin.

To find out more about getting the right health care for your symptoms, visit www.act.gov.au/yourhealthoptions

Japanese Fun Day

Due to a very busy end of term 2, Daniel and Sharee have decided to amend the date of the Japanese Fun Day for this year. It will no longer be held in Week 9 of this term. Japanese Fun Day will now be held in week 7 of term 4 – a great way to celebrate all the learning we are doing during this year in Japanese. More details will come closer to the time.

Thank you, Daniel-Sensei and Sharee-Sensei
