The ACT Education Directorate is an agency of the ACT Government (the Territory). The Territory has insurance arrangements in place in order to meet certain liabilities. The Territory meets claims (including claims resulting from school activities or excursions) against it where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which the injury or illness was sustained. Parents should obtain their own advice about private insurance protection that may assist in meeting expenses if their child is injured or suffers an illness in circumstances where there is no liability on the part of the Territory.

If the outside provider of the service or activity has requested that you sign a waiver or disclaimer statement, the ACT Education Directorate recommends that you consider carefully any risks involved before proceeding.

This excursion has had a risk assessment completed and submitted to the school principal and is available at the school.
