*Term 4 Week 9
Thursday 13 December 2018*

Dear parents and carers,

Once again we come to the end of another wonderful year of learning at Latham. It has been such a busy year full of undertakings designed to enrich the lives of our students and to support them in their learning endeavours. It's also been a huge year of learning for staff. It's true to say that students and staff alike are a bit tired, and some of us are even a bit emotional, but we are happy too, happy in the knowledge that we have all done our best.

We sadly say farewell to some staff members who are leaving us at the end of this year. Rochelle Merchant, Sladjana Pantic and Evan Gilson have all won positions in other schools in the ACT; jobs that they have selected and are really excited to be moving to. Robyn Frencham is retiring for the second time, and she and her husband are leaving their home of 27 years and are moving to NSW. So while their leaving is sad for the Latham community, I know you'll join me in congratulating them and wishing them well for their future. Lauren Jarvis is taking a year's leave to travel around Australia with her family and will return to us for 2020 (first time I've written that date - it used to sound so far away!).

New staff joining us for 2019 are Sandy Newbery and Gavin Molyneux who are joining our preschool team, and Bethany Lieschke and Melissa Orton who will both be teaching in the junior classes next year. We have selected our new staff very carefully to add to our wonderful team. I know you'll make them feel very welcome.

Class lists for 2019 will be posted on the internal windows near the external courtyards on Wednesday by 3:00pm. You are very welcome to have a look at them, but I'm requesting that you do not take photos of any list; not for yourself, for friends or to post on social media. Lists contain information that belongs to different families and they are not to be shared. Many families availed themselves of the opportunity to see me or Karen about considerations that we should take into account when placing their child, and these have all been considered; in fact they are the first thing that was taken into consideration by teachers. Hours of thought and conversation have taken place to create the 2019 class lists and we have done so in the very best interests of every child. If something seems wrong to you however, please make an appointment to see either myself or Karen. If you are not able to come

to school to look at lists (they will remain on display until Friday lunchtime), please phone the front office (after Wednesday 3:00pm) and someone will be able to tell you the name of your child's teacher for next year.

On Thursday afternoon, students will move to their next year's classroom. They will spend time with the teacher (some of the new teachers may not be able to attend unfortunately) and see who else is in their class. In the week before the students return to school next year they will receive some personal mail (through the post) from their teacher or their team of teachers. We find that both of these practices greatly reduce anxiety in our children.

Thank you to all of you who support and encourage us in our work and to this wonderful staff I'm so privileged to lead. I'd also like to thank our beautiful students for a year full of learning – they live our school values every day and bring such enthusiasm and joy to share. We exist only for them and it's an honour I enjoy every day.

Please have a wonderful Christmas and New Year break and stay safe wherever you travel. If you are staying close to home, please keep an eye out for our school. We'll see you in 2019!

With very warm wishes,
Liz

And finally...Words of the Week

Torrid – ask Tania about that one!

Melba-Copland Cluster Reconciliation Action Plan (RAP)

Latham Primary School is working with several other schools in the Melba-Copland area on a shared Reconciliation Action Plan (RAP). A RAP is designed to support organisations (such as schools) to support, celebrate and promote Aboriginal and Torres Strait Islander people, culture and issues in order to assist the process of reconciliation in the wider community. In this week's newsletter you will find an overview poster of the action items that have been agreed upon by the cluster schools. Between now and October 2019, we are committed to meeting deliverable outcomes for these actions, both at a school level and within the cluster. In the new school year, further information will be available around the school and in newsletter communication outlining how Latham Primary is working to achieve the RAP goals.

If you would like further information or to find out how you can be involved, please contact Sharee (sharee.harrild@ed.act.edu.au) as a representative of the Latham Primary Cultural Integrity project team.
