

Week 4 National Science Week

Dear parents,

Next week, the students and teachers will be involved in National Science Week (12-16 August).

The whole school, from preschool to year six, will be involved in presenting a showcase of what they are learning in science. All parents are invited to attend and see our science in action.

The schedule for the showcases are as follows:

Tuesday 13/8	Wednesday 14/8	Thursday 15/8	Friday 16/8
	Grades 5 / 6 9:45 – 10:45		Preschool GM 9:45 - 10:45
Grades 3 / 4 11:45 - 12:45	Grades 1 / 2 11:45 – 12:45	SLSU -EW 11:45 – 12:30	
Preschool GM and SN 1:45 – 2:45		Kindergarten and LSUA-PS 1:45 - 2:45	

Some students from years 4-6 will be conducting some fun science experiments with junior students during lunch times. We will also launch the Moon Lander Competition during lunch time Monday 12 August. Hopefully your child/ren have been busy experimenting at home and making their creations for this event.

We look forward to seeing you throughout the week.

Trudy Grant, Lynette Johns and Laura Ryan
Science Week Coordinators
