Helping out at the Fete

The Fete is the major annual fundraiser run by the Latham PS P&C and this year our aim is to make it super fun for all involved - but that can't happen without YOU!

Many hands make light work, and now is the time to put your hand up to help for just one hour on the day, giving you 2 hours to enjoy the Fete with the kids and community!

We've set up SignupGenius again this year to make it super easy for you to put your name down for a time slot online, simply click the link below to see what's available and signup for something, and you'll get an email reminder a few days before the Fete!

- If you can't commit any time to help on a stall or in the lead up to the Fete, you are more than welcome to put some money towards making it all happen instead! There's a **tin at the front office** for \$20, \$10 or \$5 notes (or whatever you can spare), which will go towards prizes for the kids, food and drink supplies, and materials for various activities.
