

Dear parents and carers,

As part of the Year 6 graduation ceremony, we would like to create a slideshow of the year 6 students. For this slideshow we are requesting a digital copy of a photograph of each child as a toddler or kindergarten student.

The photographs will need to be sent in digital format only. You can even take a photo of a photo if you only have a hard copy. They should be emailed to your child's teacher by Friday 29 October 2021.

Thanks for your help,
