*The ACT Education Directorate is an agency of the ACT Government (the Territory). The Territory has insurance arrangements in place in order to meet certain liabilities. The Territory meets claims (including claims resulting from school activities or excursions) against it where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which the injury or illness was sustained. Parents should obtain their own advice about private insurance protection that may assist in meeting expenses if their child is injured or suffers an illness in circumstances where there is no liability on the part of the Territory. If the outside provider of the service or activity has requested that you sign a waiver or disclaimer statement, the ACT Education Directorate recommends that you consider carefully any risks involved before proceeding. This excursion has had a risk assessment completed and submitted to the school principal and is available at the school.*

*I agree to my child participating in the activities associated with this excursion mentioned previously. I have discussed with my child the need for sensible behaviour on this excursion. I authorise the school to make arrangements for the welfare of my child (including medical or surgical treatment) in an emergency and I agree to meet the associated costs. I have provided to the school all medical information relevant to my child attending this excursion.*

*I agree that my child will be under the authority of the school for the duration of the excursion and that the school is authorised to return my child to school or home at my expense if the school considers that circumstances warrant such action. I give permission for my child to travel by private car, driven by a staff member or parent, in an emergency.*

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be asked to be collected or returned to school should the behaviour be extreme or overly persistent. Should this occur monies paid will not be reimbursed.*
